Subject: SH2: PLEASE TAKE NOTICE that the Deposition Date of 8/28/08 for American's witnesses Needs to be Rescheduled

Wednesday's 8/28/08 noticed deposition for two American International Line, Inc.'s witnesses must be rescheduled.

The recent flurry of additional defendants and pleadings has made it impossible to prepare for the deposition(s).

Also, American International Line, Inc. has moved for a stay of discovery as well as for a summary judgment dismissing the action against American International Line, Inc.

A third-party deposition can be taken after grant of summary judgment, assuming of course that it is granted.
